

ABOUT THE AUTHOR

Dr. T. Premkumar has been affiliated with the Department of Mechanical Engineering at SRM Madurai College of Engineering and Technology, Tamil Nadu, India, since March 2023. He has completed the master's in mechanical engineering specialized in Cad/Cam on June 2011 from Mepco Schlenk college of engineering – Sivakasi with first class and undergraduate in mechanical engineering on April 2009 from K.L.N College of Engineering, pottapalayam with first class. He received his Doctor of Philosophy in Mechanical Engineering (specialized in composites Material) from KARE. He is currently doing active research in the area of materials. He has 13+ years teaching as well as research experience. He is a Member of Indian Society for Technical Education. His areas of interest are polymer composite, materials characterization, and tribology.

Mr. R. Joel Jobs is working as an Assistant Professor in the Department of Mechanical Engineering, Kings Engineering College, and has about 6 years of teaching experience. He received his B.E. in Mechanical Engineering from Thirumalai Engineering College and his M.E. in Manufacturing Engineering from the Pallavan College of Engineering. He has published around 5 research papers in manufacturing technology. His area of Research includes Additive manufacturing

Mr. S. Tharmalingam is currently working as an Assistant Professor in the Department of Robotics and Automation at Karpaga Vinayaga College of Engineering and Technology, Chengalpattu. He obtained his Bachelor degree in B.E., Mechanical Engineering at Chendhuran College of Engineering and Technology, Anna University, Chennai in 2018. He received his Master of Engineering in M.E Manufacturing Engineering at Chendhuran College of Engineering and Technology, Anna University, Chennai in 2020. He pursuing Doctor of Philosophy in the Faculty of Mechanical Engineering at Anna University. He has 5 years of teaching experience at reputed institutes. He has published papers in the reputed journals. His areas of research work include Surface composites (FSP), Welding, Machining.
