PREFACE

Kings Engineering College provides effective mentoring and counseling system for the betterment of students. Mentoring and counseling Committee aims at providing the following.

- Students' performance monitoring.
- Taking care of in house academic development, solution to student's problems, opportunity for career advancement, motivation towards innovation etc.,
- Counseling for slow learning students.
- Arranging special coaching for clearing arrear papers.
- Interaction with Parents about their wards performance.
- Arranging motivation programme and expert counseling.
- Guiding the students in co-curricular and Extra-curricular activities
- Preparing the students for Technical competitions

MENTORING/COUNSELING HIERARCHY

Mentoring Hierarchy followed in the Institution is as follows

- Class advisor
- Students Counselor / Mentor
- Head of the Department
- Head of the Institution

Class Advisor

- Faculty member nominated by Head of the Department act as Class advisor and he or she will continue as class advisor for the particular batch till end of their course.
- Class advisor maintains the record of details such as attendance, academic performance, curricular and co-curricular activities, individual counseling, interaction with parents etc. of students throughout their period of study in a systematic way in the "Student History record".
- Class advisor develops a cordial relationship with students of the class and play an important role in motivating potential students, identifying weak students and arrange for counseling, taking forward academic, personal, career related requirements of students to the Head of the Department.
- Class advisor has to motivate the students to participate in co-curricular activities like paper presentation, workshops, national/international competitions etc., and extra-curricular activities like sports, cultural and other talent-based competitions for improving their confidence and performance.
- However, for the first year alone, the class advisor and student counselors are nominated by first year coordinator.

Students Counselor/Mentor

- Head of the Department nominate one faculty for every 10-20 students to act as counselor.
- Student counselor monitors the overall progress of students under their control and offer personal counseling to the students.
- In addition to academic matters, personal issues which hinder the academic growth of student will be identified and addressed by the student counselor.
- If required, meeting of the student with professional counselor is arranged in coordination with class advisor.
- Frequency of the meeting with students is on need basis/once in a month.

Head of the Department

- HOD monitors the academic activities happening in the Department, to ensure proper functioning of various levels of mentoring offered to the students and mentoring support systems.
- Based on the need, they counsel/ advice/motivate the students individually / collectively for improved academic performance and achievements.
- They also co-ordinate with parents in helping/solving student related problems, when need arises.

Head of the Institution

- The Principal - Head of the Institution monitors and controls the entire student support system including the academic matters, students learning & development, Training & Placement and Counseling.
- The Principal also takes care of essential infrastructural facilities needed for the students.

MENTORING / COUNSELING SUPPORT SYSTEMS AT INDIVIDUAL LEVEL FOR VARIOUS PURPOSES

- Peer assisted learning in classroom.
- Slow learner's support system.
- Career guidance and motivational programme.
- Parent-Teachers Communication.

Peer Assisted Learning in Class Room

- Slow learners are identified by the class advisor and the course teacher based on the results and performance of the students in the class room.
- For the identified slow learners, peer assisted learning is arranged with the support of bright students.
- Slow learners are made comfortable to interact with their classmates in learning difficult concepts. Course faculty lends help to clarify the doubts of students.
- Academically weak students are largely benefited by peer assisted learning and showing improvement.

Slow Learners Support System

- Slow learners are encouraged to attend special coaching classes organized during evening/ Saturdays/ study holidays.

- Special coaching classes are conducted for preparing the slow learners well for class tests, internal tests and model exams.
- Separate coaching classes are also planned and conducted for those students who are having arrears in the previous semester.
- Before the exams, the students are counseled and motivated to take-up the university exams confidently.

Career Guidance and Motivational Programme

- Placement cell organizes career guidance and motivational lectures to students at regular intervals by inviting eminent personalities from industry / alumni and guide students towards prospective career opportunities.

Parent-Teachers Communication

- SMS is sent to the parents of absentees daily.
- Details pertaining to attendance and marks scored by the students are sent to parents at the end of every internal assessment through SMS and progress report.
- On need basis, class advisor also contact the parent through mobile phone to appraise the student's performance.
- The parent teacher's communication helps the students to receive parental advice/motivation / support for enhanced academic performance.

EXPECTED OUTCOMES

- Significant improvement in the academic performance of the students.
- Exposure to real world problems there by achieving considerable practical knowledge.
- Improved placement record.
- Improved awareness among the students on the usage of modern and latest technologies.
- More number of industrial oriented projects.
- Increased participation in competitions.
- Enhanced Confidence level/positive mindset of the students.
- Improved team spirit.

In view of the above, Kings Engineering college , Chennai aims at:

- Students performance monitoring and improvement
- Counseling and coaching the slow learning students to secure higher score in University Examination

- Arranging motivation programme and expert counseling to the students
- Guiding the students to participate in co-curricular and Extra-curricular activities and explore their skills and talents.
